Data Dashboards and School Report Cards under ESSA

Resources explaining and discussing details of Data Dashboards, School, District and State Report Cards under the Every Student Succeeds Act (ESSA)

- [Delaware's ESSA Plan - One Page Overview](#) (copy included in workshop folder)
- [Delaware Department of Education - Final ESSA Plan](#)
- [SBE - Every Student Succeeds Act - Overview of the law](#)

Helpful Materials to explain and provide more details on dashboards and school report cards

- [US Dept of Education - Non-Regulatory Guidance on State and Local Report Cards under ESSA - January 2017](#)
- [Data Dashboards - Accounting for what matters](#) (copy included in the workshop folder)
- ED Trust: [ESSA: What's in it? What does it mean for Equity?](#) Focus: Public Reporting (copy included in the workshop folder)
 - [School Ratings - Dashboards AND Report Cards](#) - One of the most powerful tools we have for communicating expectations for school performance, for prompting action whenever those expectations are not met, and for helping parents and others understand how their child and the school is doing. (copy included in workshop folder)
- NASBE Webinar: [How to present Data Clearly, Accessibly](#)
- [Data Quality Campaign - Show Me the Data](#)
 - [State Report Cards Must Answer Questions and Inform Actions](#) (copy included in workshop folder)
 - [State Report Card Bright Spots](#) (copy included in workshop folder)
 - [Opportunities to Make Data Work for Students in ESSA](#)
- National PTA - [3 Ways to Engage in New ESSA Report Cards](#) (copy included in workshop folder)
 - [What Makes a Good ESSA Report Card? \(Webinar\)](#) (Click [here](#) to download the slides)
